# G.O. No. 1571, 1st July 1953

Subsidy—Equipment—Secondary schools—Local bodies—1953-54—Payment—Sanctioned.

READ—the following papers :—

G.O. Ms. No. 819, Education, dated 9th April 1953.

From the Director of Public Instruction, dated 9th May 1953, Rc. No. 346-G-7/52.

**Order—No. 1571, Education, dated 1st July 1953.**

The Government approve the proposals made by the Director of Public Instruction for the distribution of subsidies to the local bodies mentioned in the annexure to these proceedings towards the cost of purchase of equipment for the secondary schools under their management. The amounts shown in column (4) of the annexure represent the maximum subsidy payable to the local bodies concerned for the objects specified. Subject to these maxima, the amount to be paid to each local body will be restricted to one half of the cost of equipment purchased in 1953-54 out of the approved indents.

2. The Accountant-General is requested to place the amounts specified in the annexure at the disposal of the local bodies concerned, on the production of necessary vouchers at the Treasury. The vouchers should indicate that the value of the articles purchased is not less than double the amount of the subsidy claimed.

3. The local bodies concerned should take early steps to purchase the articles of equipment as per the approved indent during the current year and to draw the subsidy admissible from the Treasury and get it adjusted to their credit before the close of the financial year. They are informed that under no circumstances will any portion of the subsidy now sanctioned but not drawn before the close of the financial year 1953-54 be re-allotted.

4. The expenditure will be met from the appropriation under "37. Education—Secondary—h. Grants to local bodies for secondary education—A. Ordinary areas—3. Equipment—Voted" in the Budget Estimate for 1953-54.
